List and briefly explain educational classes offered
Throughout the year, Desert Springs Hospital offers hospital-based educational seminars through our senior advantage program on a variety of health topics – cardiology, stroke/neuro, internal health, etc. The classes are free to the community.
Bariatric surgery seminars – an educational forum to learn more about the surgery, risks, preparation, etc.
Diabetes education – a wide range of classes are available (for a fee).

List and briefly describe other community benefits provided to the community for which the costs cannot be captured
--

Valley Health System community relations coordinators work with area businesses, agencies and non-profit organizations to participate in health fairs and offer free guest speakers at workplaces.
